# Here's a little travel information

## DRIVING

If you take the 101, you'll drive right into Newport on the coast. If you take the 15, you'll be looking for exit 288 (North & South) onto route 34 - (Corvallis - Lebanon Hwy 210) Follow this route west and merge with route 20 outside Corvallis and follow that right through to Newport. Once in Newport, the 20 becomes W. Olive st. Continue west on Olive st. until you get to Don & Ann Davis park, where you will veer south and Olive turns into SW Elizabeth st. Follow this south to the Hallmark Resort - Newport

## FLYING

Newport only has a small airstrip, so you'll likely be flying into Eugene and will have to make arrangements to get yourselves up to Newport. There is a KAYAK car rental and an Enterprise right at the Eugene airport, but I would recommend making those arrangements prior to arriving in Eugene to ensure you get a vehicle. You'll exit the airport on Airport rd and take your first left on Green Hill rd. to the Pacific Hwy route W99 heading north. Take a left at Greerberry rd. heading west to Bellfountain rd, heading north. Next, take a left at Chapel dr. over to S13th st. Head north on 13th and connect to the 20 heading west to get over to Newport.
