

# Pacific Coast Congress of Harbormasters & Port Managers

## 2026 Spring Conference Sponsorship Opportunities

April 20–22, 2026 | Hilton Garden Inn San Francisco/Oakland Bay Bridge | Emeryville, CA

Your sponsorship investment directly supports high-quality education, networking, and professional development for harbor, marina, and port professionals throughout the Pacific Coast region. From cutting-edge sessions on marina infrastructure and emergency preparedness to programs that inspire the next generation of waterfront leaders, your support makes it possible for the Pacific Coast Congress to deliver meaningful, relevant content that attendees carry back to their facilities and communities.

We are deeply grateful for every sponsor's contribution to our industry's growth and excellence. The generosity of our partners allows PCC to keep conference costs accessible for members from small harbors and municipalities and continually raise the bar for professional development in the maritime community. Together, we are building a stronger, better-prepared industry along the entire Pacific Coast.
